Your donation is taken straight from your gross salary, i.e. before tax is deducted, making it a tax-effective way of giving, so if you decided to give £5 per month it actually only costs you £4, and the taxman pays the rest!

Payroll Giving is a great way to become a regular supporter of NRAS, helping us to ensure we have a regular, reliable income stream enabling us to plan ahead and budget for the future.

Become a Payroll Giver online by [clicking](#) on the button below and filling out the form – it's that easy!
