We're a leading health charity in the field of rheumatology based in Maidenhead, Berkshire seeking a Junior Video Content Creator to join our team to help create and grow our online and digital presence. The individual must be proactive in their learning and be able to take initiative with their duties.

Please note: Candidates applying for this role are not required to have pre-existing knowledge of RA or JIA to be eligible for this role. Full training will be provided during induction.

Key Responsibilities

- Filming and editing video content for our social media platforms and our websites.
- Identifying areas we can repurpose existing content into social media reels and short form video.
- Help manage and plan social media posts ensuring consistency and timely delivery across our platforms, specifically Facebook, X, Instagram, TikTok, LinkedIn and YouTube.
- Being proactive across social media and engaging with our audience whenever possible.
- Identify and build relationships with social media influencers in order to promote NRAS' messages and services through them.
- Working with the Digital Marketing team to help manage day to day social media posts and website updates.
- Assisting the Digital Marketing team with key digital projects and in carrying out any other relevant duties as required.
- Assist in creating and managing the social media strategy for larger campaigns, ensuring all

campaigns are promoted at the appropriate time and according to the marketing plans.

- Provide technical support on NRAS Live sessions, which are broadcast live on a bi-monthly basis. (occasional evening work may be required, which can be claimed back as TOIL).

Essential Skills

- 1-2 years experience in video editing using Adobe Premiere Pro (or similar).
- Experience using the Adobe Creative Suite and/or Canva, particularly Photoshop, Illustrator and InDesign.
- 1-2 years of Social Media Management experience.
- Self-motivated, innovative and flexible.
- Team player but also be able to work on own initiative.
- Keen interest in digital marketing.
- Excellent communication and organisational skills.
- Basic copywriting skills.

Preferred (but not essential)

- Previous experience of using Salesforce, WordPress, SproutSocial, and Form Assembly.
- Prior experience with running regular video content, particularly on YouTube.
- Knowledge of paid social media advertising.
- Whilst this position does not require frequent off-site work, the post holder may occasionally be required to travel and work out of hours, representing the charity at external events.
- With our office being in a remote location, we would prefer candidates to have a full UK driving license, with access to a vehicle.

How to apply

If you wish to apply, please submit your current CV and a cover letter to samg@nras.org.uk using the subject line, 'Junior Video Content Creator Role'. When writing your cover letter, please ensure that you provide specific examples to demonstrate your competencies, achievements and skills addressing the specific criteria set out. We recognise that some of your experience may be from unpaid roles as well as paid employment – please include any voluntary work if it helps to show why you are the right candidate for the job. Any previous video and design work you can show will also be beneficial.

We believe that diversity drives innovation and success. We are committed to creating an inclusive environment where every team member feels valued and respected.

We welcome candidates of all races, ethnicities, genders, ages, religions, abilities, and sexual orientations. We also encourage applications from individuals with unique perspectives, experiences, and skills. Our goal is to build a workforce that reflects the rich diversity of our community and fosters a culture of inclusion and belonging.

If you are passionate about making a difference and want to be part of a dynamic and supportive team, we would love to hear from you.
