## Virtual fundraising

If your fundraising plans have been postponed or cancelled, we've put together a selection of ideas for virtual fundraising that you can do from home instead – and some you can do at no cost to you!

### Virtual pub quiz

Connect with others – Use Skype, FaceTime or Google Hangouts to hold a virtual pub quiz. Set up a [JustGiving](#) page and ask your guests to make a donation to take part.

### Ebay your clutter away

Now is a good opportunity to declutter, and working through your possessions is a chance to remember memories associated with them. Sell your clutter on [Ebay](#) and you can choose to give a donation to NRAS!

### Online tutorials

Learning something new has been strongly associated with higher levels of wellbeing. Share your skills with others through online tutorials. You could do cooking, a foreign language or flower arranging. Ask for a donation in exchange for sharing your skills, which can be donated on your JustGiving page. Or does your friend have a skill that you have always wanted to learn? Ask them to set one up for you.

### Set up a Facebook Fundraising page

Whether it's your birthday or if you're looking to create better awareness of RA or JIA why not create a Facebook Fundraiser! NRAS receives 100% of all donations made via Facebook and we even have [step by step guide](#). See here for a [video tutorial](#).

### Make a donation by simply doing your shopping!

If you normally shop via [easyfundraising](#) or Give as you Live (featuring all the major supermarkets) NRAS will receive a donation at no extra cost to you! Find out more about [easyfundraising](#) and [Give As you Live](#)
