Donate through Givto

Givto is an online platform which enables people to donate towards a different cause each month.

[Print](#)

[Givto](#) is a new way to donate to charity that allows users to give to a different cause each month with one simple Direct Debit.

It's so simple to [sign up](#) with Givto and you can support the RA and JIA community with a direct debit donation!

Givto have now launched a [Directory](#) of all the worthy causes they've helped where you can search by cause and location, and you can check our page [here](#).

How it works:

Sign up [here](#) and choose how much you would like to donate to your chosen cause each month.

Each month you will be able to choose between 3 different, national and local, charities to support with your donation.

Gift Aid can also be claimed if you are eligible, which can increase your donation amount by 25% at no extra cost to you.

Sign up [here](#) and support 12 different charities per year!
