Funeral Collections

Many families are now choosing to collect donations instead of flowers as a way to celebrate their loved one and create a lasting tribute to their life so we've made an online platform to make this easier for you.

How to set up a Funeral Collection page

To make this process as easy as possible for you, we have made an online platform to create the funeral notice, collect the donations and share stories and pictures of the life you are celebrating.

- Using the form below, tell us the name of the person you are remembering and few details about yourself.
- You'll receive an email from our partners at Much Loved, with a link to continue setting up the rest of your page.
- After a few simple steps, your page is now complete. Fill it with pictures, memories, link your page to fundraising events or you can even light a virtual candle for them.
- Don't forget to share the page with friends and family so they can add their memories and donations too.

Donation Envelopes:

If you would prefer to have donation envelopes available at the service, we can provide our cherry blossom donation envelopes, personalised with the name of the your loved one. These forms also allow us to claim Gift Aid, where applicable. The online Tribute pages have an option to add offline donations so any donation received via funeral envelopes or that are sent direct to NRAS can be added to the page.

If you would like to request funeral envelopes you can do so by contacting the Fundraising team on 01628 823524 (option 2) or email fundraising@nras.org.uk. Please do not hesitate to contact us if you have any questions.

Please allow up to five working days for your collection envelopes to arrive.
