

Resource

Newly diagnosed pack

[Print](#)

Includes New2RA, Fatigue Matters and Medicines and RA

New2RA – A self-help guide for people with newly diagnosed rheumatoid arthritis

Fatigue Matters – A self-help guide for people living with rheumatoid arthritis

Medicines and RA – We believe it is essential that people living with RA understand why certain medicines are used, when they are used and how they work to manage the condition.

Blood Matters – A guide to the blood tests used in managing rheumatoid arthritis and adult juvenile idiopathic arthritis.
