### [Second REUMAVID Survey](#)

[NRAS are pleased along with Arthritis Action and NASS to be supporting this European study into the impact of COVID19 pandemic on people living with Rheumatic diseases. The survey will take approximately 30 minutes to complete. This study is promoted by the National Axial Spondyloarthritis Society \(NASS\), the National Rheumatoid Arthritis Society \(NRAS\), and Arthritis Action, \[...\]](#)

### Get involved in COVID-19 research

NRAS was contacted by many teams of researchers at a variety of universities to conduct research by a survey on the impact that COVID-19 is having on people living with RA and adult JIA. We would like to thank all that took part in these studies. Here are the studies we have been involved in and where we have them, the results.
