Donate through Givto

Givto is an online platform which enables people to donate towards a different cause each month.

[Print](#)

In June 2022, Givto will be featuring NRAS as one of the three selected charities that people can choose to support.

It takes 2 minutes to sign up with [Givto](#) and you will be able to support NRAS in June with a Direct Debit donation!

How it works:

Sign up with Givto [here](#) and choose how much you would like to donate to your chosen cause each month, by Direct Debit.

Once your Direct Debit has been collected, you will be able to choose between 3 very different, national and local, charities to support with your donation, each month.

Gift Aid can also be claimed if you are eligible, which can increase your donation amount by 25% at no extra cost to you.

Sign up [here](#) and support 12 different charities per year, starting with NRAS this month!

This article was downloaded from www.nras.org.uk. National Rheumatoid Arthritis Society (NRAS) is a registered charity in England and Wales (1134859) and Scotland (SC039721). A private company limited by guarantee. Registered in England and Wales (7127101).
