When do I need a Team Page?

- A Team Page is great for a group taking part in the same fundraising event. You can add team members, set a fundraising target as a team and view everyone's progress as you work towards the Team goal!
- Supporting multiple charities simultaneously? You can create a separate Fundraising page for each charity and then bring them together into a Team Page for your event. Your supporters can then decide to which of the charities they would like to donate.

How do I set up a Team Page?

- You will need to have an individual fundraising page before you can create a team page.

- Step 1 – View your fundraising page and select the 'Create a team' option. If you do not see this please check you are logged into your JustGiving account you created the page within.

👥 Create a team

- Step 2 – Overview of details – You'll be able to view the charity you're raising money for and the event you're participating in. Click 'Get Started' to move onto the next step.
- Step 3 – In Memory – You can include if your team are fundraising in memory of anyone. Select the appropriate option then click 'Next' to confirm the selection.
- Step 4 – Fundraising target – Set the team's fundraising target by typing in a custom amount, choosing a suggested amount, or you can choose to have no target. Click 'Next' once you are happy with the target amount selected.
- Step 5 – Page details – Provide the team name, team story behind your team fundraising together and a team page URL. An AI-powered Story Enhancer is available to help you craft

your page story. You can make further edits to your name and story after your team page is live.

- Step 6 – Cover photo, video, livestream – Here you can upload your own cover photo, insert a video (embedded from YouTube) or a livestream link.
- Step 7 – Finalise details – Confirm your team name, the team captain and your team target and you will be ready to go! Click 'Create team' to publish your page.
  Your team page is now live!
- Share your page URL so others can join your team. If you need more information on inviting team members please see here.
