## Get your company involved

Could your company raise awareness and vital funds for those living with rheumatoid arthritis (RA) and juvenile idiopathic arthritis (JIA)?

### Corporate partnerships are vital for NRAS

From raising awareness to raising money, corporate partnerships are vital in helping us support those living with rheumatoid arthritis (RA) and juvenile idiopathic arthritis (JIA) in the UK. A partnership will:

- Motivate staff and encourage team building
- Help meet your corporate social responsibility (CSR) objectives
- Increase staff and customer engagement
- Secure positive PR

### Work with us to develop your own unique programme

- Charity of the year
- Event sponsorship
- Gifts in kind
- Payroll giving
- Employee fundraising

If your company is interested in creating a mutually beneficial partnership and supporting those living with RA and JIA across the UK, then we'd love to hear from you.

Email our fundraising team [fundraising@nras.org.uk](mailto:fundraising@nras.org.uk) or call today on 01628 823 524.
