Global Rheumatology Alliance COVID-19 Vaccine Survey

[Print](#)

If you are 18 years or older and have a rheumatic disease, please consider participating in this survey. You are eligible to take the survey whether or not you received the COVID-19 vaccine.

GRA will not collect personal information such as name, email address, IP address, or other data that will make you easily identifiable. Your data will be analyzed in aggregate with that of other participants. Everyone is welcome to complete this survey, whether or not you have taken other surveys from the GRA.

There is no cost to participate and no payment for participation.
